FOR IMMEDIATE RELEASE

## **MASSACHUSETTS COMPANY – DNUTCH ASSOCIATES INC. – RECEIVES NATIONAL AWARD FOR DIVERSITY**

**Dnutch Associates is Named to DiversityBusiness.com’s Top 500 Emerging  
Businesses in US for 2013**

**Methuen, Massachusetts, July 15, 2013** – Honors were recently bestowed upon the Nation’s finest and brightest entrepreneurs by the nation’s leading multicultural social media site, DiversityBusiness.com. Dnutch Associates Inc. was recognized as one of the Nation’s “Top Businesses” for 2013. The award is focused on the top privately-held businesses in the U.S. This exclusive ranking is a reflection of Dnutch’s overall vision, leadership and economic accomplishments in moving our economy forward. The award, known as the “Div500”, represents the most unique class of forward thinking companies that have earned the distinction of fostering a culture of sustainable growth among the communities they serve.

2013 marks DiversityBusiness.com’s 13<sup>th</sup> annual listing of the Nation’s top businesses. Over 1.3 million businesses participated in this year’s program. The “Top Businesses” were determined by a selection committee that based its decision on a review of extensive criteria including: business profile, sales, and more. Businesses selected for award have become highly coveted among corporations, government agencies and educational institutions who desire to increase opportunities with privately-held businesses.

“We are very proud to continue to support men and women who have become the core of our nation’s innovation, productivity and growth”, says Kenton Clarke, President and CEO of DiversityBusiness.com. He adds, “I am very optimistic about our future especially as this distinct group of entrepreneurs continues to produce immeasurable results and serve as a prime example for current and generations to come.”

“Dnutch has worked very hard to get where we are today and it is always nice to be recognized by our peers” said Denise Jones, President and CEO of Dnutch Associates, Inc. “We continue to pursue growth opportunities with government and industry where we can leverage our core skills of technology expertise, innovation, and deep real-world experience. We’re always looking forward.”
