

**SUMMARY**

Dnutch Associates, Inc. (Dnutch) is an **expert engineering services and solutions** company, providing actionable advice and measurable business value to our clients since 1993, throughout the federal, state, and municipal government sectors, and select industrial sectors. **Our people** have deep industry experience across a vast array of technologies and functional domains. We provide **key expertise in the design, verification, development, and testing of enterprise information technology systems and networks**. Dnutch often plays the role of independent evaluator, providing our clients with objective advice. **Dnutch is contract-ready** to work with any government organization with our existing prime and subcontract vehicles listed below. We offer on-site and off-site project support from our Washington, D.C. and Boston Area offices. We are **SBA SDB Small Business, WBE, MBE, DBE, SDVBE, WOSB, EDWOSB, VOSB, SDVOSB, and NAOSB certified**. How can we help you?
